

SAFETY SET

IN ACCORDANCE WITH PN-EN 3782:2015-2007 STANDARD

Directions for use:

1. Hammer three spikes into each leg base.
2. Clip first end of the strap to the loop on the corner of the roof. Repeat with all the straps.
In case of tents with 6 legs, clip the straps also to the loop in the middle of the roof.
3. Clip the other end of the strap to the anchor. Hammer the anchor into the ground.
Repeat with all straps and anchors.

The set includes:

Tent with 4 legs

12 spikes
4 anchors
4 straps
hammer

Tent with 6 legs

18 spikers
8 anchors
8 straps
hammer
